TAWANI ENTERPRISES, INC. (TEI) Launches Newly Re-Designed Website

Chicago, IL - TAWANI ENTERPRISES, INC. is pleased to announce its newly updated website at www.tawanienterprises.com.

The brand new site highlights both a bold, modern look and enhanced navigation that presents the expertise and various focus areas of the organization, both for profit and non-profit. Fresh colors and a revised logo characterize the enhanced web portal. Additionally, TAWANI's key organizational categories are identified and properly defined with expansive descriptions for each business entity and property owned. A comprehensive and impressive editorial collection under the news and events section is also one of the popular introductions to the re-designed web layout.

Other additions to TAWANI ENTERPRISES, INC. enhanced site include:

- An extensive overview of the organization's vision and mission
- Complete biographical information on founder, Col. Jennifer Pritzker IL ARNG (Retired)
- An impressive project and service portfolio, which includes the Pritzker Military Library & Museum, Tawani Foundation and the Emil Bach House designed by Frank Lloyd Wright, among others
- Newly introduced social media links to Facebook, Twitter and Instagram pages

TAWANI ENTERPRISES, INC. (TEI) is a dynamic organization that honors the lessons of history to create positive change for individuals, properties and businesses. Our passion lies in enriching communities and creating value for future generations to enhance the quality of life. TAWANI is an evolving private wealth management company established to manage the personal wealth, philanthropic endeavors, and military interests of Colonel (IL) J.N. Pritzker, IL ARNG (Retired). For further information, visit www.tawanienterprises.com.
